

Fall 2017/2018 Speaker Schedule

I spend most of my time in Marina del Rey, CA and Kennett Square, PA but I'm available to speak in other areas as I love to travel and meet new people. Most of May through July is spent guiding for Silver Lining Tours chasing extreme weather in Tornado Alley.

"My Camera is My Best Excuse for Adventure" and I never know where it's taking me. So please inquire for a current schedule as it may be leading me to your area.

I'm also an Adobe Certified Expert in Lightroom and enjoy visiting camera groups and speaking on both subjects.

I've just started filling my spring 2018 speaking schedule. Currently I do approximately a 1 to 1+15 hr. talk on Photography while Extreme Storm/Tornado Chasing.

If more time permits, I can fill it with Lightroom organizational workflow and development ideas of Storm Related images tailored to the group.

I also do a beginning talk/class taking about 4 hours on Lightroom called "The Nuts and Bolts of Lightroom".

See [Video on YouTube](#) for info on this talk. Video can be customized for your group's name to help with PR.
